WHEREAS, it is desired to grant to the Trustee a security interest in and to the Leases and other collateral described below;

NOW, THEREFORE, in consideration of the mutual covenants and promises herein contained, the parties hereto agree as follows:

Subject to the rights of lessees under the Leases, the Company hereby assigns, transfers and sets over unto the Trustee as security for the payment and performance of all of the Company's obligations under the lease provided for in the Trust Agreement (i) all of the Company's right, title and interest as lessor in, to and under the Leases described

in Exhibit B hereto together with all rights, powers, privileges, and other benefits of the Company as lessor under the Leases in respect of such units of Trust Equipment, including but not limited to the Company's right to receive and collect all rentals, liquidated damages, proceeds of sale and other payments now or hereafter to become payable to or receivable by the Company under or pursuant to the provisions of the Leases and, in addition, (ii) all of the Company's right to receive and collect all per diem mileage or other payments now or hereafter to become payable to the Company in respect of the Trust Equipment, whether under or pursuant to the provisions of any of the leases or otherwise; provided however, that until the happening of an Event of Default (as such term is defined in the Trust Agreement) the Trustee shall not collect or receive any of such rentals or other payments or take any other action in respect hereof. The Company represents and warrants that it has not heretofore made and agrees that it will not hereafter make in respect of the Trust Equipment any other assignment of the Leases or the rentals or the payments payable to or receivable by the Company under any of the Leases.

It is expressly agreed that the rights hereby assigned to the Trustee are subject to the rights of sublessees under the Leases, and that the Trustee, so long as any such sublessee is not in default under its Lease, shall not interfere with the rights of peaceful and undisturbed possession

Upon the full discharge and satisfaction of the Company's obligation under the Lease provided for in the Trust Agreement, the assignment made pursuant to this instrument shall terminate and all rights, title and interest of the Trustee as assignee hereunder in and to any Lease or any payments in respect of the Trust Equipment shall revert to the Company.

Except as otherwise provided herein, the provisions of this agreement shall be binding upon and shall inure to the benefit of the parties hereto and their respective successors and assigns.

All demands, notices and communications hereunder shall be in writing and shall be deemed to have been duly given and personally delivered at or mailed to (a) in the case of the Company, 777 South Post Oak, Suite 777, Houston, Texas,
